Maou-Sama TD: Game Design Document (V2.4)

1. Game Overview

Title: Maou-Sama TD (Working Title) **Genre:** Tower Defense / RPG / Visual Novel **Platform:** Mobile (Android/iOS) / PC **Target Audience:** Fans of strategy games, anime aesthetics, and "Villain Protagonist" tropes.

Core Concept

You are the **13th Demon Lord (Maou)**. Resurrected by a **Pact with the World** to settle a 50-year-old vendetta with the **Hero**. But the World lied. The Pact wasn't for a rematch. It was a draft. When the **Inverse World** invades in Act 3, you are forced by the Pact to *protect* your hated rival against the **First Maou**, the True Demon who seeks to reset all existence.

2. Gameplay Mechanics

A. Tower Defense (The Battlefield)

- **Perspective:** Isometric 2.5D or Top-Down.
- **The Grid:** Battles exist on a grid-based map.
- **Unit Placement:** Players deploy "Vassals" (Units) onto tiles.
- **Cost Management:** Units cost "Authority" to deploy.
- **Sovereign Power:** The Player (Maou) can intervene directly with global spells using **Authority Seals**.

B. RPG Progression (The Citadel)

- **Avatar Creation:** Choose Male or Female Maou.
- **Gacha System:** Summon new Vassals using the **Summoning Ritual**.
- **Unit Growth:** Level Up, Awakening (Stars), and Equipment.
- **Affection System:** Give gifts to Vassals.
    - **Ignis Special:** Unlocks "Memory Fragments" revealing her past as a Human Hero.

3. Game Modes

A. Main Campaign

The core story, divided into **Acts**.

- **Act 1:** The Awakening & The Betrayed Knight (Ignis).
- **Act 2:** The Crusade & The Rival's Return.
- **Act 3:** The Betrayal (Inverse World Invasion).

B. Resource Dungeons

- **Gold Vault:** High currency rewards.
- **Exp Forest:** Experience materials.
- **Material Mine:** Crafting/Ascension materials.

4. Characters & Classes

Unit Classes (The Bestiary)

Class	Icon	Role	Tactical Summary

Bastion	🛡️	**Heavy Tank**	High HP/DEF. Block Count: 3-4. Essential for holding chokepoints.
Vanguard	⚔️	**Melee DPS**	Balanced stats. Block Count: 2. High SP regeneration while engaged. (e.g., Ignis)
Executioner	🗡️	**Burst Assassin**	High ATK/ASPD, low HP. Best for single-target elite elimination.
Ranger	🏹	**Physical Ranged**	High Ground deployment. Prioritizes Flying enemies. High range. (e.g., Shade)
Warlock	🔮	**Magical Ranged**	High Ground. AoE magic damage. Often applies CC (Slow/Stun). (e.g., Lilith)
Sage	⚕️	**Healer**	Restores HP to allies within range. Essential for Bastion longevity.
Architect	📐	**Fortifier**	Deploys stationary Towers or non-blocking Traps. Immune to standard melee.
Necromancer	💀	**Summoner**	Spawns temporary "Fodder" units to increase effective Block Count.
Support	📣	**Buffer**	Provides passive auras (ATK/DEF/SP speed) to nearby allies.
Gunner	🔫	**Rapid Fire**	Extreme ASPD. Deals True Damage but often consumes Authority per shot.
Assassin	🥷	**Infiltrator**	Can be placed near enemy spawns. Ignores 1 enemy to strike the backline.

The Maou (Player)

The 13th incarnation. Manipulated by the World. Fueled by rage against the System that denies them their revenge.

The Antagonists

1. **The Church:** Corrupt human institution.
2. **The Rival (Hero):** Your destined enemy.
3. **The First Maou:** The creator of the Inverse World. The true threat.

5. Themes

- **Betrayal:** Everyone betrays everyone (Church betrays Ignis, World betrays Maou).
- **Forced Alliance:** Working with your enemy to survive.
- **The Greater Evil:** The First Maou makes you look like a saint.
